CUBE: Centre for the Urban Built Environment

CUBE CENTRE FOR THE URBAN BUILT ENVIRONMENT

CUBE is one of Europe's most exciting Architecture Centres.....

**CUBE is known to in excess
of two million people and
more than 780, 000 have
visited CUBE since its opening
in 1998.**

CUBE is an innovative architecture and built environment centre based in the heart of Manchester. It is one of Europe's most exciting art, architecture and design centres, dedicated to broadcasting the ideas and issues that lie behind the buildings, spaces and cultural networks that make up our built environment.

CUBE is the only dedicated space for exhibitions and informal learning related to architecture and the built environment in the NW. Known for providing the opportunity to highlight economic and social benefits of knowledge transfer and networking between public, professionals and policy makers through a focused and dedicated organisation. An independent voice and opportunity for public interaction/debate on key issues regarding the built environment.
