John Galvin at Cube

04 / 02 / 2012

DESIGNLab: John Galvin
16 December 2011 - 18 February
2012. University of Salford,
Manchester-Cube Centre for Urban
Built Environment.

CUBE is delighted to be launching
DESIGNLab, a new space dedicated
to the celebration of some of the
most cutting edge designers
around.

We are proud to be showcasing
award winning cabinetmaker,
craftsman and furniture artist John
Galvin. Glasgow based John
specialises in the application of
traditional cabinet making methods
to design unique pieces of bespoke
furniture that intrigue and
captivate. Having launched John
Galvin Designs in 2008, the self
funded business has gone from
strength to strength in the past three years.

These innovative creations encompass contemporary design with quality craftsmanship. This marriage is of the upmost importance and is clearly evident in his production of beautiful bespoke pieces that will stand the test of time.

As part of DESIGNLab John will be exhibiting his Manolo Lounger chair which has just won the furniture section of the 2011 Trada Wood Awards.

The Wood Awards is the UK's premier architecture and furniture competition celebrating excellence in design in the world's most sustainable material. Now in its ninth year, the Wood Awards is the most respected award for building and design in wood.
